Dear Members:

We are grateful for the donation you sent us in 2021. It is through the generosity of yours along with others that has enabled us to offer personalized support services and recreational activities beyond short-term shelter and meal assistance provided by public funding. These activities have enriched lives of many individuals in crisis who are tenants and guests in our RGI housing units, shelter and half-way house. Please visit our website at [www.cornerstonedurham.com](http://www.cornerstonedurham.com) to find out more about us and read some of the telling personal testimonies from our tenants and guests.

Our mission is to partner with those on the path from homelessness to home by providing non-judgemental support, safety, affordable housing, community and hope.

On behalf of our Board, our staff and members of the Cornerstone community, we thank you wholeheartedly for your willingness to support us in this community service.

Sincerely,

Robert Brglez  
 Executive Director
